CONSTRUCTION WORK

State Route 18 Pavement Rehabilitation Project

Project receives \$1.18 million in Federal Stimulus Funding

Running Springs – Caltrans will begin a thirty day pavement rehabilitation project near Running Springs on Monday, November 9th between the junction of SR18/ SR330 and Lakeview Point (near Snow Valley Ski Resort).

Work hours are between 8 am and 5 pm, Monday through Friday with crews working on Veteran's Day. Traffic will be escorted through the closure by pilot car. The inclusion of Veterans Day as a work day reduces conflicts with school transportation and daily commuters.

Be prepared to add an additional 20 minutes to your commute. Thank you for your patience.
